**SECTION 2.** G.S. 96-4(q) reads as rewritten:

"(q) The Board of Review after due notice shall have the right and power to hold and conduct hearings for the purpose of determining the rights, status and liabilities of an employer. The Board of Review shall have the power and authority to determine any and all questions and issues of fact or questions of law that may arise under the Employment Security Law that may affect the rights, liabilities and status of an employer including the right to determine the amount of contributions, if any, which may be due the Division by any employer. Hearings may be before the Board of Review and shall be held in the central office of the Board of Review or at any other designated place within the State. They shall be open to the public and shall consist of a review of the evidence taken by a hearing officer designated by the Board of Review and a determination of the law applicable to that evidence. The Board of Review shall have the power to provide for the taking of evidence by a hearing officer employed in the capacity of an attorney by the Department. Such hearing officer shall have the same power to issue subpoenas, administer oaths, conduct hearings and take evidence as is possessed by the Board of Review and such hearings shall be recorded, and he shall transmit all testimony and records of such hearings to the Board for its determination. All such hearings conducted by such hearing officer shall be scheduled and held in any county in this State in which the employer resides, maintains a place of business, or conducts business; however, the Board of Review may require additional testimony at any hearings held by it at its office. From all decisions or determinations made by the Board of Review, any party affected thereby shall be entitled to an appeal to the superior court. Before a party shall be allowed to appeal, the party shall within 10 days after notice of such decision or determination, file with the Board of Review exceptions to the decision or the determination, which exceptions will state the grounds of objection to the decision or determination. If any one of the exceptions shall be overruled then the party may appeal from the order overruling the exceptions, and shall, within 10 days after the decision overruling the exceptions, give notice of his appeal. When an exception is made to the facts as found by the Board of Review, the appeal shall be to the superior court in term time but the decision or determination of the Board of Review upon such review in the superior court shall be conclusive and binding as to all questions of fact supported by any competent evidence. When an exception is made to any rulings of law, as determined by the Board of Review, the appeal shall be to the judge of the superior court at chambers. The party appealing shall, within 10 days after the notice of appeal has been served, file with the Board of Review exceptions to the decision or determination overruling the exception which statement shall assign the errors complained of and the grounds of the appeal. Upon the filing of such statement the Board of Review shall, within 30 days, transmit all the papers and evidence considered by it, together with the assignments of errors filed by the appellant to a judge of the superior court holding court or residing in some district in which such appellant either resides, maintains a place of business or conducts business, or, unless the appellant objects after being given reasonable opportunity to object, to a judge of the Superior Court of Wake County: Provided, however, the 30-day period specified herein may be extended by agreement of parties."

**SECTION 3.** This act is effective when it becomes law.
